

ATM Tips

When you use an ATM, remember to:

- Make sure the area around the ATM is safe and well lit.
- Insert your card into the CARD SLOT.
- Follow the instructions on the screen.
- Never say your password out loud or share it with anyone.
- Use the ATM buttons to enter information.
- Push the CANCEL button if you want to start over.
- Remember to take your money, receipt, and card with you!

Not all ATMs are the same, so just follow the directions on the screen!
