

Pay Debit Tips

- Retrieve your card from your wallet.
- Swipe your card in the self-pay machine.
- Choose Debit when given the choice of Debit or Credit.
- Enter your pin number.
- Decide whether you want Cash Back.
- Click Yes or No. In this example, choose No.
- Determine if the total cost displayed is correct.
- Select OK/Enter/Yes if it is.
- Place your card in your wallet.
- Take the receipt from the cashier.

✿ All self-pay machines do not work in the same way. Just read the screen and follow the instructions. If you have any questions, just ask the cashier!
